

## Using PowerPoint and Digital Photographs

---

---

---

---

---

---

---

---

### Every Picture Tells a Story

- Take digital photographs
- Put photographs into a *PowerPoint* slide show to...
  - Tell a story
  - Learn a new skill
  - Reinforce skills

---

---

---

---

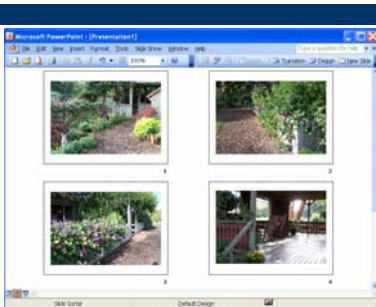

---

---

---

---

Now move the slides in the slide sorter view...

---

---

---

---

---

---

---

---

Then...

- Print three per page handout view and write a story

---

---

---

---

---

---

---

---

Or..

And then we found him sitting among the flowers in the garden.

- Word process a story using the notes pages view

---

---

---

---

---

---

---

---

And then we found him sitting among the flowers in the garden.

- Add narration to the slides to tell a story

---

---

---

---

---

---
