Greetings!

Hello Team,

VSU SIFE welcomes you all to this semester! Let's start it with new hopes, fresh minds and a better spirit. For those planning to graduate this semester, may all your effort lead you there. Semesters are even challenging, so mind your health and manage your time better. We also would like to convey warm greetings to our new SIFERs, welcome abroad and have a pleasant study at our campus, with SIFE! Enjoy your Fall 11'.

All the best!! ☺

With the new school semester starting up, VSU SIFE expects to see the filled auditorium with many new faces at the meeting, and, of course, our regular SIFERs there! ;) Spread your generous words out there, so more students can get informed about the most amazing organization of all on campus and have opportunities to experience different kinds of college life.
